Back Spin is a thrilling and suspenseful novel by Harlan Coben, part of the Myron Bolitar series. The novel follows Bolitar, a former professional basketball player turned sports agent, as he investigates the death of his best friend's sister.

Bolitar is reluctantly drawn into the case when his best friend, Win Lockwood, begs him to look into the death of his sister, Terry. Terry was a rising star in the world of women's basketball, and her death has been ruled a suicide. However, Win is convinced that Terry was murdered.

Bolitar agrees to help Win, and he soon discovers that Terry's death is more complicated than it seems. Terry was involved in a number of risky activities, including gambling and drug use. She was also having an affair with her coach, a married man.

As Bolitar investigates, he uncovers a web of lies and deceit. He learns that Terry was being blackmailed by someone who knew about her affair. He also learns that Terry was involved in a point-shaving scheme, which is a form of gambling fraud.

Bolitar's investigation puts him in danger, but he is determined to find out the truth. He knows that Terry's death was not a suicide, and he is determined to find the person responsible.

Back Spin is a fast-paced and suspenseful novel that will keep you on the edge of your seat from beginning to end. Coben does a great job of creating a complex and believable mystery, and he keeps the reader guessing until the very end.

Characters

- **Myron Bolitar:** A former professional basketball player turned sports agent. Bolitar is a skilled investigator, and he is determined to find out the truth about Terry's death.
- **Win Lockwood:** Bolitar's best friend and the brother of Terry Lockwood. Win is convinced that Terry was murdered, and he asks Bolitar to investigate her death.
- **Terry Lockwood:** A rising star in the world of women's basketball. Terry was involved in a number of risky activities, including gambling and drug use.
- **Coach Mike Krupsky:** Terry's coach and the man she was having an affair with. Krupsky is a married man, and he has a reputation for being a womanizer.

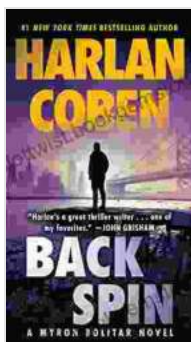

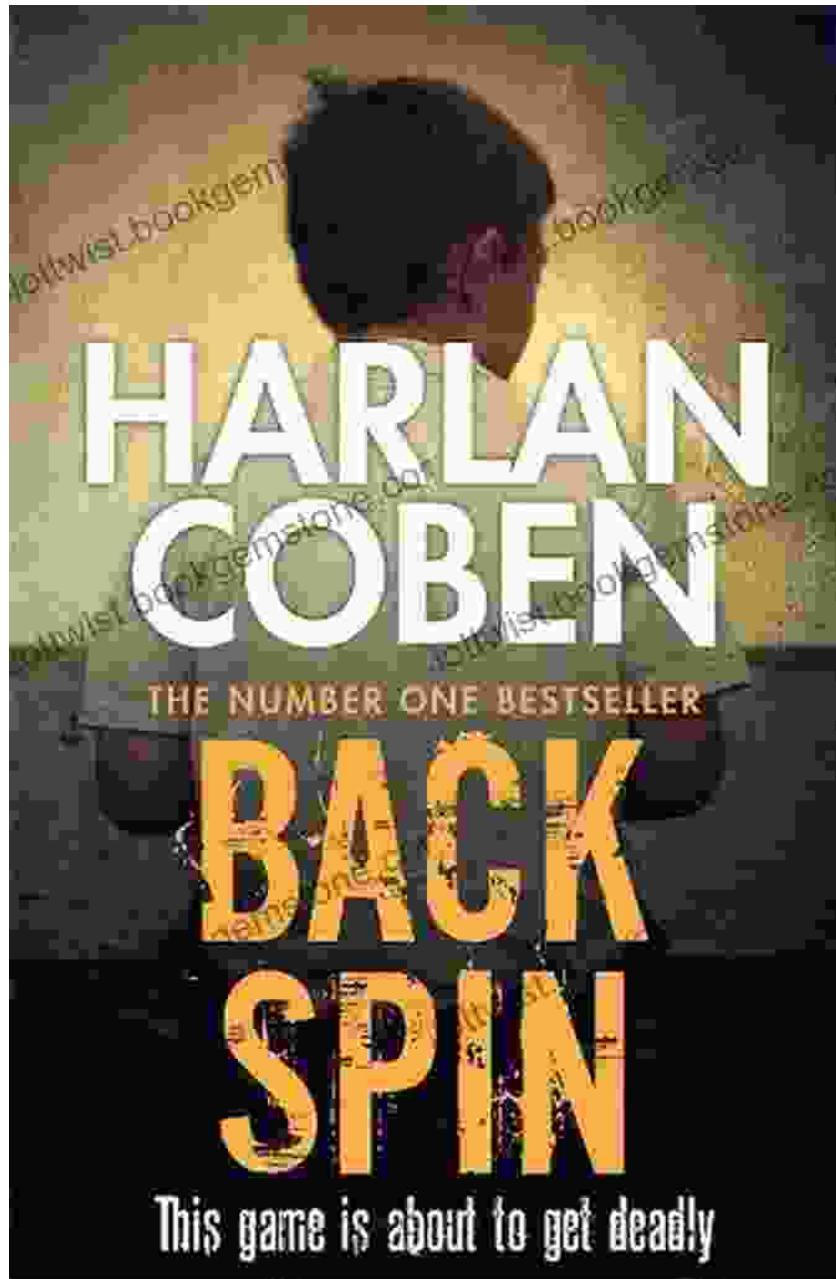

- **Mickey Bolitar:** Myron's nephew and a talented basketball player. Mickey is drawn into the investigation when he learns that Terry was involved in a point-shaving scheme.

Themes

- **Friendship:** Bolitar and Win have been friends for years, and their friendship is tested when Terry dies. Bolitar is determined to find out the truth about Terry's death, and he knows that Win is counting on him.
- **Loyalty:** Bolitar is loyal to his friends and family, and he is willing to put his own life in danger to protect them. He is determined to find out the truth about Terry's death, even if it means putting himself in danger.
- **Betrayal:** Terry was betrayed by a number of people in her life, including her coach, her boyfriend, and her friends. Bolitar is determined to find out who betrayed Terry and why.

Back Spin is a thrilling and suspenseful novel that will keep you on the edge of your seat from beginning to end. Coben does a great job of creating a complex and believable mystery, and he keeps the reader guessing until the very end. I highly recommend this novel to fans of mystery and suspense.
