Red Square is one of the most iconic and recognizable landmarks in the world. Located in Moscow, Russia, it has been the site of numerous historical events and is a UNESCO World Heritage Site. The square is surrounded by some of the most famous buildings in Russia, including the Kremlin, Saint Basil's Cathedral, and GUM. Red Square is also home to Lenin's Mausoleum, where the body of the former Soviet leader Vladimir Lenin is preserved.

History of Red Square

The history of Red Square dates back to the 15th century, when it was known as Trinity Square. The square was used as a market and a place for public gatherings. In the 16th century, the square was renamed Red Square, after the color of the Kremlin's walls. Over the centuries, Red

Square has been the site of many important historical events, including the coronation of Russian tsars, the execution of political dissidents, and the military parades of the Soviet Union.

Architecture of Red Square

Red Square is surrounded by some of the most famous buildings in Russia. The Kremlin, a fortified complex that was once the residence of the Russian tsars, is located on the eastern side of the square. Saint Basil's Cathedral, with its colorful domes and intricate architecture, is located on the western side of the square. GUM, a large department store, is located on the northern side of the square. Lenin's Mausoleum, where the body of the former Soviet leader Vladimir Lenin is preserved, is located on the southern side of the square.

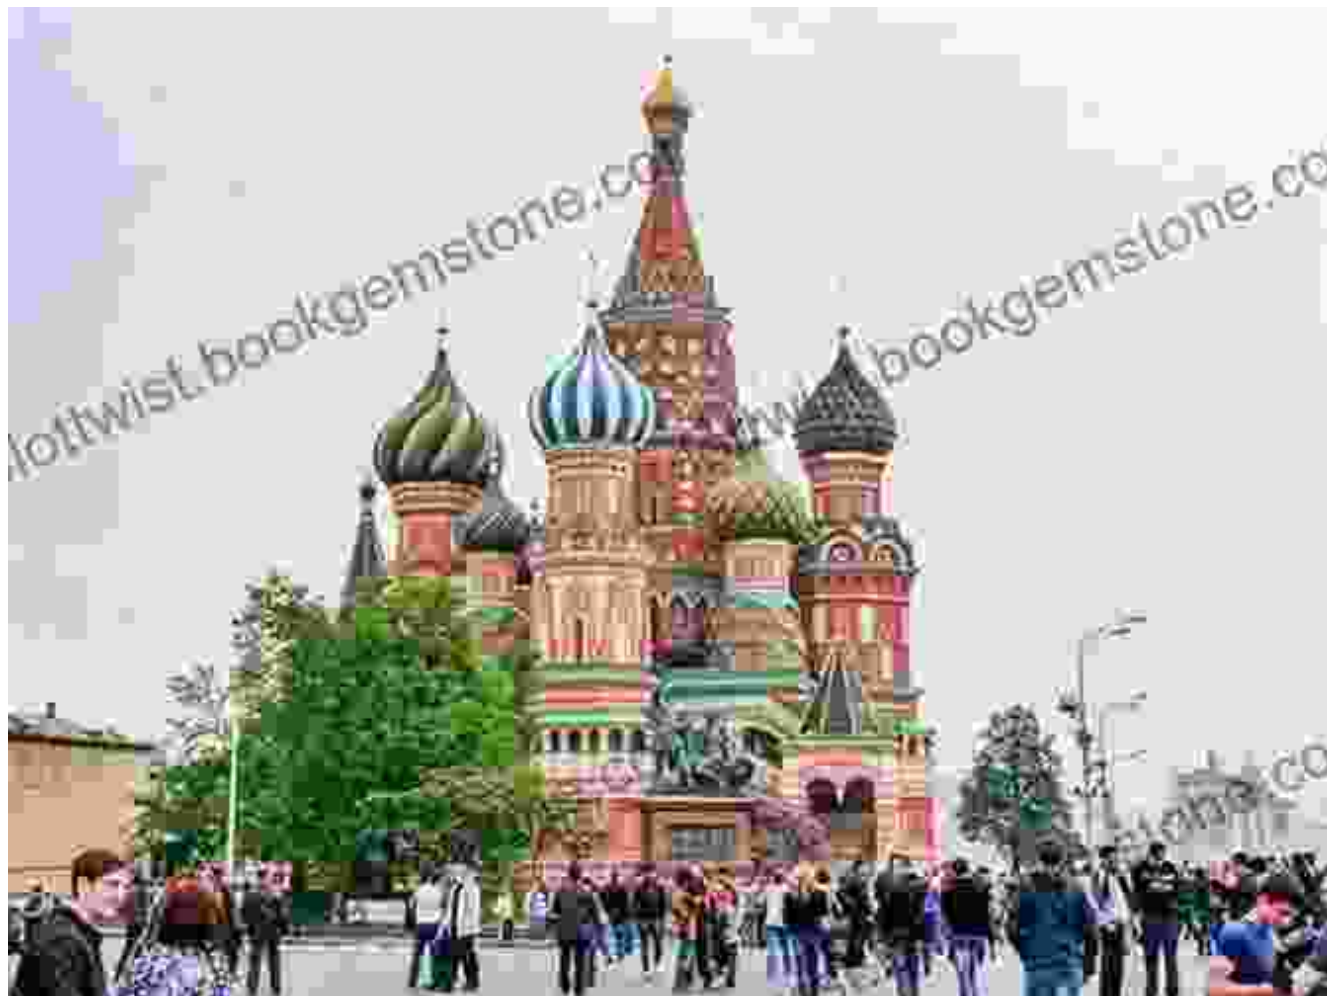

Cultural Significance of Red Square

Red Square is a symbol of Russian history and culture. It is a place where the past and present meet, and where the people of Russia come together to celebrate their national identity. Red Square is also a popular tourist destination, and it is estimated that over 20 million people visit the square each year.

Visiting Red Square

Red Square is located in the center of Moscow, and it is easily accessible by public transportation. The nearest metro station is Ploshchad Revolyutsii. Red Square is open 24 hours a day, and there is no admission fee. However, some of the buildings surrounding Red Square, such as the Kremlin and Saint Basil's Cathedral, charge an admission fee.

Red Square is one of the most iconic and recognizable landmarks in the world. It is a place of great historical and cultural significance, and it is a must-see for any visitor to Moscow.
