Sarah's journey began in a small town in the Midwest. She was a bright and ambitious young woman with big dreams for her future. But her life took a tragic turn when she met a man who promised her a better life in the city. Blinded by his charm and promises, Sarah left her home and followed him to a strange and unfamiliar place.

Once in the city, Sarah's dream quickly turned into a nightmare. She was forced into prostitution and subjected to horrific abuse. For years, she was held captive, her freedom and dignity stolen from her.

Despite the unspeakable horrors she endured, Sarah never gave up hope. She clung to the belief that one day she would be free. And through her unwavering determination and the support of a few kind strangers, she finally managed to escape her captors.

But Sarah's journey was far from over. After escaping, she had to confront the trauma of her past and rebuild her life. She struggled with PTSD, addiction, and homelessness. But through sheer willpower and the support of a therapist, she slowly began to heal.

Today, Sarah is a survivor and an advocate for others who have experienced similar horrors. She uses her platform to raise awareness about human trafficking and to help other survivors find healing and hope.

Stolen Life is a powerful and moving memoir that tells the story of one woman's journey to overcome the trauma of being trafficked and exploited.
