

# Tempest Rage: The Guild Wars 17

Tempest Rage is a powerful new skill in The Guild Wars 17 that allows Elementalists to call down the wrath of the tempest. This skill can be used to deal massive damage to enemies, and it can also be used to control the battlefield. This guide will teach you everything you need to know about Tempest Rage, including how to use it effectively in both PvE and PvP.

## How to Use Tempest Rage

To use Tempest Rage, you must first attune to the Air element. Once you have attuned to Air, you can activate Tempest Rage by pressing the "4" key. When you activate Tempest Rage, your Elementalists will summon a powerful tempest that will deal damage to all enemies in the area. The damage dealt by Tempest Rage is based on your Elementalists' Air Attunement level.

In addition to dealing damage, Tempest Rage can also be used to control the battlefield. The tempest created by Tempest Rage will knock back all

enemies in the area, and it will also create a field of Air energy that will slow down enemies. This can be used to create distance between you and your enemies, or to set up your allies for a powerful attack.

## **Tempest Rage in PvE**

Tempest Rage is a powerful skill that can be used to great effect in PvE. The massive damage dealt by Tempest Rage can quickly take down even the toughest enemies, and the battlefield control effects can be used to keep your party safe.

Here are some tips for using Tempest Rage effectively in PvE:

- \* Use Tempest Rage to deal massive damage to bosses and other high-priority targets.
- \* Use the battlefield control effects of Tempest Rage to keep your party safe from harm.
- \* Coordinate with your party members to use Tempest Rage to set up powerful attacks.

## **Tempest Rage in PvP**

Tempest Rage can also be used to great effect in PvP. The massive damage dealt by Tempest Rage can quickly take down enemy players, and the battlefield control effects can be used to disrupt the enemy team.

Here are some tips for using Tempest Rage effectively in PvP:

- \* Use Tempest Rage to deal massive damage to enemy players who are out of position.
- \* Use the battlefield control effects of Tempest Rage to disrupt the enemy team's positioning.
- \* Coordinate with your team members to use Tempest Rage to set up powerful attacks.

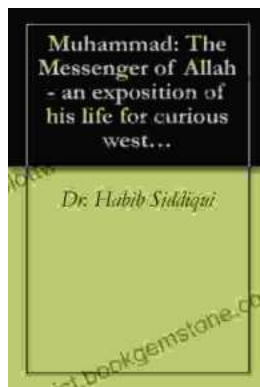

Tempest Rage is a powerful new skill that can be used to great effect in both PvE and PvP. By understanding how to use Tempest Rage effectively, you can become a more powerful Elementalist and help your team to victory.
